

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

Sally Ramirez,

Plaintiff,

-against-

City Of New York et al.,

Defendants.

24-CV-1061 (AS)

ORDER

ARUN SUBRAMANIAN, United States District Judge:

Plaintiff filed a motion for leave to file a second amended complaint on January 16, 2025 and a motion to extend the time to complete discovery on the same day. Dkts. 45, 48.

The redlined proposed second amended complaint includes allegations of retaliation and disability-based discrimination that are based on a distinct statutory scheme (the Rehabilitation Act) and set of underlying facts. Plaintiff also seeks to add a new defendant, Darshan Taylor, who she alleges is responsible for the claimed retaliation and disability-based discrimination.

The Court observes that plaintiff's proposed amendments outline what appears to be a separate case unrelated to the allegations that have already been litigated for almost a year. By **Wednesday, January 22, 2025**, the parties should each submit a letter to the Court (at most 3 pages) explaining their position on how the new allegations relate to the existing case and why (or why not) the new allegations should simply be raised in a new and separate action. The Court will then hold a remote hearing on **Friday, January 24, 2025 at 3:00 PM**. The parties should dial in by calling (646) 453-4442 and entering the Phone Conference ID: **909 381 120**, followed by the pound (#) sign. Until then, the parties should proceed with discovery, which is currently scheduled to close on February 11, 2025.

SO ORDERED.
